

threading::Thread

```
classDiagram
    class Thread["threading::Thread"]
    class abstractThreadUSB["src.usbThread.abstractThreadUSB"]
    abstractThreadUSB --|> Thread
```

The diagram illustrates a class inheritance relationship. At the top is a white rectangular box with a black border containing the text 'threading::Thread'. Below it is a gray rectangular box with a black border containing the text 'src.usbThread.abstractThreadUSB'. A blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that 'src.usbThread.abstractThreadUSB' inherits from 'threading::Thread'.

src.usbThread.abstractThreadUSB
